ENVIRONMENTAL EDUCATION CLASSES

2016

BUTTERFLY GARDENS

SATURDAY, AUGUST 13 • 11:00 A.M. -12:30 P.M.

Fall is the time to plant for butterflies! Learn how to plant nectar sources that will attract butterflies as they migrate. Monarch and other butterfly populations have declined rapidly over the past two decades. Learn what you can do to ensure North Texas sees them in our gardens year after year.

RAISED BEDS AND SOIL PREP

SATURDAY, SEPTEMBER 10, 2016 • 11:00 A.M. -12:30 P.M.

Need some pointers on building your own home garden? Come learn from two of Coppell's experienced community garden leaders. They will cover the essentials for DIY raised beds and soil health with a hands on demonstration.

SUSTAINABLE HOME AND GARDEN TOUR

SATURDAY, OCTOBER 1 • 9:00 A.M. -12:00 P.M.

Take a casual self-guided tour of Coppell's most inspiring ecofriendly homes and gardens. 2016 will feature solar panels, composting, rain water harvesting, SmartScape designs and more! Stop by one or all of the locations to learn more about sustainable upgrades worth considering. Pick-up a tour map at the Helping Hands Community Garden.

SMARTSCAPE DESIGN FOR POLLINATORS

SATURDAY, OCTOBER 8 • 11:00 A.M. -12:30 P.M.

Learn how to use native plants and water features to attract butterflies, bees, and hummingbirds! Get great tips on which plants to choose, how to design the space and what kind of maintenance to expect with SmartScape design.

GETTING STARTED INDOORS

SATURDAY, NOVEMBER 5 • 11:00 A.M. -12:30 P.M.

Get a jump start on the planting season by getting started indoors! This class will cover how to grow your own starts from seed at home to get the most out of the planting season.

CLASSES ARE FREE AND NO REGISTRATION IS REQUIRED
